UNDERGRADUATE FINANCIAL AID REQUIREMENTS

<<<<<<<<<<< >>>>>>>>>>>

Please Read Carefully

The primary purpose of the financial aid program at Saint Anthony College of Nursing is to provide financial assistance within its available resources to those students who demonstrate academic scholarship, financial need and/or community service. State and federal funding is necessarily tentative at the time awards are made and Saint Anthony College of Nursing cannot guarantee substitute awards if any anticipated outside source of assistance does not materialize.

All state and federal funding regulations and College policies relative to the individual program or award must be fulfilled by the student. In particular, the following criteria must be met in order to receive financial aid at Saint Anthony College of Nursing.

___ 1. Students receiving federal aid must remain enrolled in at least 6 credit hours.

___ 2. Students receiving financial aid are subject to satisfactory academic progress.

___ 3. The awards will be void if and when incorrect information is revealed on any student application for financial aid.

___ 4. Many financial aid programs are not automatically renewable and must be applied for *each academic year*. **(PLEASE NOTE THAT FEDERAL AND STATE APPLICATION DEADLINES ARE NOT THE SAME. LATE APPLICATIONS RESULT IN A LOSS OF FINANCIAL AID).**

___ 5. Students applying for financial assistance must complete the FAFSA annually.

___ 6. Preliminary awards will be revised if estimated awards are not realized from any program; if errors have been made in the calculation of the awards; if student enrolls on a less than full-time basis (12 credit hours); or if the funding levels of any program changes.

___ 7. Any financial assistance such as scholarships, employer educational reimbursement or other outside resources must be reported to the financial aid office.

___ 8. If any financial award is not realized, the student will take financial responsibility for any amount owed to the College.

___ 9. Students placed on academic or disciplinary probation may be subject to sanctions against their financial aid.
