**Call for Abstracts:
Deadline April 6, 2018**

The 2018 OSF HealthCare Research Symposium is May 16, but the call for abstracts deadline is coming up on April 6! The annual symposium is an event designed to recognize and highlight research, evidence-based practice, and process/quality improvement activities and accomplishments from across the Ministry.

Abstract Expectations:

Click [here](#) to learn about the abstract expectations.

Judging Criteria:

Click [here](#) to fill out the required category submission worksheet (*which is new this year*).

Awards will be given for top posters and presentations!
