Website: www.sfmcon.edu

Spring 2022 BSN Registration Information

Current Student Level (Fall 2021)	Registration Dates:	Registration Method:
BSN – S1 and current part time S2	<u>Mon. 10/25</u> -7:00 a.m. to <u>Thurs. 10/28</u> -10:00 p.m.	Student Information System (SONIS) - <u>Online</u>
<u>BSN:</u> J2 J1 - Currently enrolled Fall 2021 J1 - Incoming Spring 2022 & part time Fall 2021 J1	Submit bundle choices to Registrar before <u>Thursday 10/28 -4:00 p.m.</u>	<u>Paper Registration Form</u> or <u>Advisor Can Email Student Choices to the Registrar</u>

Academic Advisement:

- Advisement for Spring 2022 classes ends 10/28/2021.
- All currently enrolled BSN students must meet individually in person with his/her Academic Advisor.
- It is the student’s responsibility to make an appointment to see the advisor. Students are encouraged to either use email or leave a telephone message when trying to contact advisors. It is recommended that you develop at least two schedules in case your first selections are closed when you go online. The Registration Forms are for your convenience and do not need to be submitted to the Registrar’s Office.
- Choose classes by checking the Spring 2022 Class Schedule for the classes you want and the time and location most convenient.
- Check prerequisites in the College Catalog or click on College website <http://www.sfmcon.edu>. Prerequisites must be met before you register for the course.
- **When meeting with Academic Advisor is completed, the advisor is to release the ‘hold’ on registration so you will be able to access the Spring 2022 courses online during your level’s online registration dates. Before leaving the meeting make sure this has been done by your advisor.**

- Students will not be able to register if they have delinquent financial obligations to the College or to financial aid programs.

Class and clinical sections will be determined by registrations. The College reserves the right to limit enrollment in sections and to cancel a section for which there are insufficient registrations. The size of a clinical group is determined by limitations set by the clinical agency. The number in parentheses after each lab section represents the maximum number of students for the Lab. The College cannot exceed that number. **The College reserves the right to change or adjust course and clinical or lab schedules of students, as needed.**

Walk-In Registration

Students who do not register online, submit Registration Forms, signed by Academic Advisor to Registrar's Office, Room 628 Monday-Friday between 8:00 am – 4:00 pm. Please submit the forms to Admissions by October 28, 2021. Students using walk-in registration will receive confirmation of classes by email.

Registration and Student Account Implications:

- To assure timely receipt of billing statements and to allow time needed to complete financial arrangements, please register as early as possible.
- Student Account payment is *due 30 days prior to semester start* (Due date for Spring 2022 semester is December 10, 2021)
- Students who register **after** the tuition/fee due date must make **immediate** payment arrangements in the Student Finance Office, Room 710
- Students who register late and have an unpaid account balance by the tuition/fee due date may experience:
 - * Delays in financial aid processing.
 - * \$25 monthly late charges on unpaid balance of account
 - * Hold on class attendance
 - * Unnecessary Stress!

Going to be J2s and S1s – you will complete the paper registration form with your top 3 bundle picks. Here are the bundle options:
