

Overview

Faith Community nursing is a specialized area of professional nursing practice focusing on the promotion of health and wellness within the context of the values, beliefs and practices of a faith community.

“This Foundations of Faith Community Nursing course is based on the curriculum developed through the Westberg Institute for Faith Community Nursing, which curriculum is owned by Church Health Center, Inc., 1350 Concourse Ave., Suite 142, Memphis, TN 38104.”

Continuing education credit will be offered at the completion of each module. There are 15 modules, each is worth 1-4 contact hours based on the content hours.

Target Audience

Professional nurses who are spiritually mature with effective communication skills. Current licensure as a registered professional nurse is required.

Course Coordinator

Beth Carson, EdD, RN, CNE

Beth has completed the Basic Parish Nurse, Advanced Parish Nurse, and Faculty Educator Courses as developed by the International Parish Nurse Resource Center. Beth also practices as a faith community nurse in a small congregation.
