

NEW! Pediatric GROUND Transport at OSF HealthCare Children's Hospital of Illinois

OSF Children's Hospital has a **NEW** service:
A pediatric critical care-trained ground transport team, providing
24/7 care for the critically ill children in your community.

Providing the Care You Need When it Matters Most

GROUND or AIR transport: Call CareHub at **(800) 252-5433** to be connected immediately with a pediatric intensivist.

Who to Transfer:

Pediatric patients who are critically ill and require an intensive or intermediate level of care. Our highly skilled team is trained to provide care including, but not limited to:

- Non-invasive and invasive ventilation
- Hemodynamic monitoring and support
- Intravenous and intraosseous insertion and management

Pediatric Critical Care-Trained Ground Transport Team:

- Experienced nurses and respiratory therapists
- Overseen by board-certified pediatric critical care intensivists
