The May Day Support Staff

We would like to thank the OSF Saint Anthony Medical Staff, Administration, Medical Education/Library Committee and May Day Support Committee for their on-going commitment of this conference. Without the support of all, the 2016 OSF May Day Medical Conference would not be possible.

Disclosure Policy: The conference faculty and planners must disclose real/apparent conflicts of interest that may influence presentations. In addition, any discussion of off label/unapproved use of drugs and/or devices will be disclosed at the conference.

Americans with Disabilities Act Statement: OSF Saint Anthony Center makes every effort to accommodate individuals with disabilities. If you have special needs, contact (815) 395-5190 by Wednesday, April 29th.

OSF Saint Anthony Medical Center is accredited by the Illinois State Medical Society to provide continuing medical education for physicians.

OSF Saint Anthony Medical Center designates this educational activity for a maximum of 12.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

AMA PRA Category 1 Credits™ are recognized as CEU equivalents

77TH ANNUAL THEODOR LANG

OSF MAY DAY MEDICAL CONFERENCE

Theodor Lang, MD, an Austrian radiologist on staff at St. Anthony Hospital, founded the May Day Conference. Dr. Lang's goal was to gather physicians from the region under one tent for a day of education and fellowship to improve patient care. 77 years later, we continue to strive to improve patient care by bringing medical education and fellowship to our health care providers. We are proud to continue the OSF May Day Medical Conference as the second longest running medical conference in the United States.
