SISTER AETERNA OSF MISSION INTEGRATION AWARD

Description of Award: The Sister Aeterna OSF, Mission Integration Award recognizes members of our community of caregivers who encourage and inspire us by drawing from their own spirituality to support others. Further, such individuals integrate a commitment to our Mission and to Excellence in an abiding way. They can be counted on, in times of calm and in times of challenge.

We honor Sister Aeterna because as a Sister Nurse and leader, she cared for over 82,000 babies and their families with great skill and profound love. She is lovingly remembered for being a person of deep faith and spiritual strength, tending to the spiritual needs of patients just as much as their medical concerns. We connect with our OSF roots and affirm those who carry forward our Mission in a most exceptional way.

This award is open to anyone serving within Saint Francis Medical Center/Children's Hospital of Illinois.
