***ELECTIVE.....3***

Students must take a 3-semester hour  
Elective course of choice in any of the  
major content areas. It is recommended  
that anyone without any computer  
knowledge take a computer class to  
satisfy this elective.

A total of 59 semester hours are required for the Prenursing curriculum. Hours may vary by institution. If hours total less than 59, an additional course(s) must be taken. Medical Terminology (Prairie State College course number: HLTH 105) is suggested, however, additional hours in any of the five categories will be considered.
