

Parking Services Agreement

I understand that I am to be provided parking at OSF Saint Francis Medical Center parking facilities for as long as I hold my permit subject to the following:

1. All residential and commuter students wishing to bring a car must be sure to complete this online Parking Registration Form. This form should be completed before the first day of class in order to avoid receiving a parking ticket. Students that commute will be assigned to the off campus parking lots at no charge. Please contact parking services at 309-655-2483 with any questions.

2. Students that are living in the dorm will be assigned to park in MediPark 2 levels 1 thru 4. They will be charged \$40 per semester and will only be able to pay for 1 (one) semester at a time. No refunds will be allowed for a partial semester. Payment should be made by check. Check to be made payable to the Saint Francis Medical Center.

This form must be completed in its entirety before a parking permit is issued:

Today's Date	School SFMC CON
Vehicle Make/Model & Color	License Plate #
Vehicle Make/Model & Color	License Plate #
Vehicle Make/Model & Color	License Plate #
Name Signed	Name Printed

FOR OFFICIAL USE ONLY
