REVISED: 11/02/2023
The Public Relations Department sends graduation announcements to appropriate newspapers. You are asked to help by supplying the name and email address of the newspapers to which news releases about your academic accomplishment should be sent.

Please complete the form below and return it to the CON. Be sure to include all information requested. Feel free to list more than one newspaper, if applicable.

If you request that a news release be sent to a publication in a city other than the one where you reside, please give the reason. For example, you may indicate that your parents or grandparents live there. You **MUST** include their names **AND** the city in which they live. The newspapers will not print the information unless they can somehow connect you to the communities they serve.

You must **LEGIBLY PRINT** the family members you want listed. **Only include parents and grandparents.** Block print writing is suggested for clarity. (Ex: PARENTS – BOB AND SUSAN JONES of WASHINGTON; GRANDPARENTS – TED AND ETHEL JONES of SPRINGFIELD, BILL AND BECKY SMITH of BLOOMINGTON)

You **MUST** list a proper **email address** for the newspaper. (Ex: news@abcpaper.com, www.abcpaper.com is a website, NOT an email address). Most websites have a “Contact Us” section to find an email for the newsroom or features section – these work best.

The PR Department is not responsible for typos because of illegible handwriting or information not received because of an improper email address.

**All news releases are automatically sent to the Peoria Journal Star. Unfortunately, the Journal Star will only run your info, no additional family connections, so no need to submit info if the Journal Star is the only paper your announcement will be sent to.**
