

A garden donation in a loved one’s memory, or in honor of overcoming an illness, or just because is a living tribute that benefits present and future generations.

Together with OSF HealthCare, you can help leave a lasting legacy . With the purchase of a engraved brick, tree, garden box, or plant to support the Garden of Hope: St. Ann’s & St. Matthew’s, you not only memorialize your loved one, but you help serve our community. The fruit, vegetables and herbs produced in the garden will be given to community members in need. For more information please go to: www.osfsaintfrancis.org/gardenofhope

Questions, contact Dylan Henricks at (309) 369-0727 or Dylan.E.Henricks@osfhealthcare.org
