

## INFORMATION ABOUT BOOK BUNDLES FROM ELSEVIER

**- Please read all the Information Included carefully before ordering -**

Titles are grouped together for each cohorts that have Elsevier components required, discount offerings are for the junior I students, junior II students and senior II students. ***Not available for senior I students.***

There are two options for each set of materials – one with the books in print format and the other with the books in eBook format – students can choose their preferred format.

Note that because there are a few items for which an update is publishing during the summer – if a student places their order prior to the later item publication – they will get the discounted pricing and the yet to come item will ship as soon as available, or in the case of eBooks the item will appear within their digital access as soon as available.

### Items yet to publish include:

Ackley nursing diagnosis – 12<sup>th</sup> edition Revised Reprint with updated NANDA (due mid-July) – in Junior I package

Silvestri 2022-2023 test taking strategies (due early August) – in Junior I package

Halter Varcarolis mental health (due early August) – in Senior II package

All other books may be purchased through the RVC bookstore or online at any reputable vendor. There are various online options including, but not limited to: Chegg.com, Textbooks.com, Valorebooks.com, or Amazon.com.

# Bookstore Information from Rock Valley College

## **RVC Bookstore Location:**

The RVC Bookstore is located on the Main Campus in the Student Center building on the ground floor. Currently, the Student Center is open by appointment **only** due to COVID-19. If you would like to come in person, please call us at 815-921-1680 to schedule your appointment. Hours are Mon-Thurs 9-4, Fri 9-1, closed on Sat and Sun. If campus closes due to COVID, you may still call us, but orders will need to be placed online and will ship to you via UPS. You may also email questions to us at [sm687@bncollege.com](mailto:sm687@bncollege.com).

## **How to find the books for YOUR classes:**

- Go to [RVC.bncollege.com](http://RVC.bncollege.com)
- Click on the TEXTBOOK Tab, Find Textbooks
- Use the drop-down boxes to select, repeat as needed
  - a) Term (Fall Credit, Spring Credit, or Summer 2 Credit)
  - b) Department (St.A)
  - c) Course (N326 or your class)
  - d) Section (there should be only 1)
- Click the black FIND MATERIALS FOR COURSES at the bottom
- Use the Select Format button to see format and pricing
- Select the books you want and add to your cart (you may need to scroll to the top or bottom of the page to add it)
- Add any supplies or other things you want
- Click on the cart to finish checking out. We suggest creating a Bookstore account for ease of future use and order tracking.

We pull the items from our campus store unless otherwise noted on the website.

You can choose to pick your order up at RVC Bookstore or we ship via UPS. It often defaults to free ground shipping so choose that if available. If campus has been closed due to COVID, you will want to choose the ship out option.

## **Using SACN Financial Aid for Books\***

During the checkout process, you will select the payment type of Voucher. You will use the last 5 digits of your social security number.

Please work with the SACN Financial Aid Office to have the voucher emailed to [sm687@bncollege.com](mailto:sm687@bncollege.com) and include the last 5 digits of your social security so we can enter the voucher into our system. We bill at the end of each month

\* While book vouchers will pay the book rental fees, you must still secure the rental with a credit/debit card that is not prepaid, no different than if you rented in the Bookstore. Your card should not be charged unless you don't return the book at the end of the semester. Vouchers do not pay for shipping so choose free shipping if available or in-store pickup. If you exceed the amount on your voucher, you can attach a credit/debit card and then let us know you want to pay the difference with the card.
